Re: Amy, et al. v. Jeffrey W. Feldman

Dear Mr. Feldman:

The Plaintiffs in this case wish to streamline the trial of this matter by withdrawing some of their claims. In order to do this, I have prepared a stipulation for your review and signature. An original and a copy for your files are enclosed with a self-addressed stamped envelope for you to return it to us with your signature if you agree. I believe it is very simple and self-explanatory and so should not need any revision.

If you do not agree to this stipulation then I will be required to make a motion to the court to amend the complaint. The motion will request that the complaint be amended just as described in the stipulation. I will need to advise the court that we sent you a stipulation for this but that you did not agree.

Thank you for your consideration.

Very truly yours,

Carol L. Hepburn
